D G D
good morning, Jesus, I slept so soundly
G D Bm A
but then you know that, you were watching over me
D G D
you are my Captain, I want to follow
G D Bm A D
this is a new day, good morning Jesus

B Em
just like you spoke to Samuel
A/C# A D
speak to me for your servant hears
B Em
pour your grace on my want to, Father
D/F# G A
and open up my ears

B Em
because of your steadfast love, I rise
A/C# A D
and say yes to your will today
B Em
you are the joy of my salvation
D/F# G A
and my delight so hey, hey
