

# FEAR NOT!

alan root robertson@kidrock records

fear not oh my little flock  
says the Lord Jesus  
it makes my Father  
happy to give you the Kingdom  
(Luke 12:32)  
fear not oh my little flock  
says the Lord Jesus  
it makes my Father  
happy to give you the Kingdom

coming in the clouds  
shining like the sun  
every eye will see him  
when the last day comes  
on a white horse  
heavenly host  
everything is new  
and the old will be toast  
nothing will remain  
nothing will survive  
except the stuff that shelters  
in the Kingdom of Christ  
whosoever will  
come and be saved  
before the world is wasted  
on the Judgment Day
