they'll return with singing to Jerusalem
E/G# A F#m B
eternal life shall be their crown, joy will finally run them down
E/G# A F#m B^{sus} B
they will worship Christ who paid the price for them
E E/G# A
a highway will be built to bring God's people back to him
E/G# F#m E B/D# B/C# B B/A
and rejoicing will be heard in earth and sky
E/G# A B B/D# E
for the wayward have returned and the faithful hearts have learned
B/D# C#m A F#m B^{sus} B
that there is no love like that of God Most High

CHORUS

B/D# E A B B/D# E E/G# A E/G# F#m B
we're singing praise the Lord, praise the Lord, praise the Lord
E A B B/D# E B/D#
on the cross he raised us from the consequences of our Fall

praise the Maker and the Master over all,

E E/G# A
the Bible paints a panorama of the world to come
E/G# F#m E B/D# B/C# B B/A
as we gaze upon a wondrous crystal sea
E/G# A F#m B
all about it gathered round are the sheep the Shepherd found
E/G# A F#m B^{sus} B
every nation tribe and tongue on bended knee
E E/G# A
with the object of their worship on an emerald throne
E/G# F#m E B/D# B/C# B B/A
clouds and lightning elders angels, hear them sing
E/G# A B B/D# E
unto God upon the throne and unto the Lamb alone
B/D# C#m A F#m B^{sus} B
we rejoice to be the family of the King
